

## BACCN Conference 2011

### **British Association of Critical Care Nurses**

The 26th annual BACCN Conference will take place from Monday 12th until Tuesday 13th September 2011. This year's Conference, "First Class Critical Care: Using Evidence to Create the Future" is happening in **Newcastle upon Tyne**.

The Conference will be held at Newcastle Racecourse, one of the North East's leading conference centres.

The BACCN Conference attracts over 300 high calibre delegates from the field of Critical Care. The various specialities involved include clinical nursing, research, management, education & training. The conference comprises plenary sessions with leading opinion formers and decision makers and includes an excellent exhibition with participation from leading industry suppliers.

Delegates who book on or before 24th June 2011 will qualify for an **early booking** discount. Visit our website
