

PRESS RELEASE

Service Recognition for Belle Rogado RN, MAN

March / 2018

WORLD FEDERATION OF CRITICAL CARE NURSES

Thank You Belle Rogado for Your Years of Service!

In February, at the Critical Care Nurses Association of the Philippines, Inc. (CCNAPI) conference, Maria Isabelita "Belle" Rogado RN, MAN, current CCNAPI President, was recognized for her outstanding and tireless efforts to support international critical care nurses through her efforts with the World Federation of Critical Care Nurses (WFCCN). Belle is a co-founder and past President and Secretary of the WFCCN. Currently she serves as a Professor at the Arellano Graduate School of Nursing in the Philippines and manages the Advanced Clinical Laboratory for Skills and Health Care Solution, Inc., a duly accredited American Heart Association International Training Center and Continuing Professional Development provider by the Professional Regulatory. Belle, we are grateful for your contributions!
