WORLD FEDERATION OF CRITICAL CARE NURSES

Welcome to our new Full Member

The WFCCN welcomes the Mexican Association of Specialized Nurses in Critical Care Medicine and Intensive Care A.C. (AMEEMCTI). It is a non-profit society that aims to be a forum that strengthens and guides the best practice of nurses specialized in critical medicine and intensive. The Association represents nurses in the Mexican sector by consolidating critical care specialty leaders to promote the establishment of strategic and systematized models of nursing care that respond to the needs of intensive care patients.
